| Broadcaster                              | Question   | Response   |
|--|--|--|
| Information<br>and<br>Transition<br>Plan | Will the station be sharing equipment with<br>another broadcast television station or<br>stations (e.g., a shared antenna, co-location<br>on a tower, use of the same transmitter<br>room, multiple transmitters feeding a<br>combiner, etc.)? If yes, enter the facility ID's<br>of the other stations and click 'prefill' to<br>download those stations' licensing<br>information. | No   |
|  | Briefly describe transition plan   | WMYD must replace its main antenna and<br>transmitter in order to move it its new<br>channel. It will need to install interim<br>facilities in order to be able to replace the<br>main facility. See attached narrative for a<br>more detailed explanation |
