**Broadcaster  
Information  
and  
Transition  
Plan**

Question		Response
Will the station be sharing equipment with another broadcast television station or stations (e.g., a shared antenna, co-location on a tower, use of the same transmitter room, multiple transmitters feeding a combiner, etc.)? If yes, enter the facility ID's of the other stations and click 'prefill' to download those stations' licensing information.		Yes
Briefly describe transition plan		WNYA currently operates on a leased tower. To facilitate a smooth (Phase 10) transition and in light of its existing lease, the Station also proposes to construct an interim facility for Channel 13 operations on another tower it owns. See Exhibit 1.
