Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	[32.2 - Antenna TV] Culture Click explores the genesis of (and reasons behind) cultural events that permeate our everyday lives. Host Nzinga Blake opens each episode from her virtual reality set with a list of what's trending on search engines that week. These topics will serve as a jumping-off point for a deep dive into the culture teen viewers will embrace. Each week Nzinga analyzes and answers the questions that shape our society, using the speed of the internet and user-generated questions and content. Experts in pop culture join her to add insight and historical perspective. Most importantly, viewers come away with a week's worth of "aha" moments to share with their friends and family. Six degrees of separation takes on a whole new meaning, and there's no limit to what viewers will learn when they experience Culture Click.
