Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The goal of Dr. Wonder's Workshop is to teach positive values and life skills to children, both deaf and hearing, and to show them how the Bible is relevant for their lives. Each episode has a theme, such as being fair, respecting others, trusting God, obedience, honesty and learning to share. The program is set in the small inventor's lab of Dr. Leward Wonder, a Christian Deaf engineer. The lab is just down the street from The Finger Food Cafe. Dr. Wonder and his team of highly creative deaf friends, including Pops (the animatronics puppet), create amazing inventions and, in the process, learn more about God and each other. In addition to the scenes in the lab, each episode also has a Bible story, an object lesson, a segment called "Real Kids," where children answer questions related to the theme, and an original song written and produced by Marshall Lawrence of Silent Blessings and performed in ASL by the Ameslan Kids.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Friends & Heroes is an animated series for children that helps teach them the stories and morals of the Old and New Testaments. Set in around AD68 this show uses an innovative combination of 2D and 3D animation to uniquely tell the story of groups of Jewish and Christian children avoiding the persecution of the Roman Empire in the infant days of Christianity. While they strive to survive the bonds they make with their friends strengthen and their friendship develops. During their struggles they learn the stories of the Old and New Testaments. Also they learn that not only can the brave men in the stories be heroes but they can too.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Calimero is an animated series about a black chick born to a family of yellow chickens. The cartoon, based on the classic Italian character created in the 60's, features Calimero hanging out with his "special" friend Priscilla, and his friends Piero and Valeriano. Together they go to school, learn new things, and have adventures together in the town of Bellagio. The close friends readily express their loyalty to each other, even if they have different personalities. Meanwhile, issues like bullying, problem solving, and even sexism are dealt with in Calimero in ways that are easy to understand for small children. This contemporary installment of the retro classic, which has aired all over the world in various languages, sends the message that being different isn't a bad thing.

Program Title	Dr. Wonders Workshop (third digital stream)
Origination	Syndicated
Days/Times Program Regularly Scheduled	SA, 07:30 AM
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	5 years to 12 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The goal of Dr. Wonder's Workshop is to teach positive values and life skills to children, both deaf and hearing, and to show them how the Bible is relevant for their lives. Each episode has a theme, such as being fair, respecting others, trusting God, obedience, honesty and learning to share. The program is set in the small inventor's lab of Dr. Leward Wonder, a Christian Deaf engineer. The lab is just down the street from The Finger Food Cafe. Dr. Wonder and his team of highly creative deaf friends, including Pops the animatronics puppet, create amazing inventions and, in the process, learn more about God and each other. In addition to the scenes in the lab, each episode also has a Bible story, an object lesson, a segment called "Real Kids" where children answer questions related to the theme, and an original song written and produced by Marshall Lawrence of Silent Blessings and performed in ASL by the Ameslan Kids.
