Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	WHEC-TV participates in a project whereby local high school seniors are nominated to be the News10NBC Scholar Athlete of the week. Every Tuesday our sports-team selects a unique senior who not only holds an 85 or higher average academically, but also excels in one or more school athletic programs. The recipient is profiled during the sports segment of our six o'clock newscast, September through the first week of June. WHEC-TV airs a childrens programming Public Service Announcement that explains the programming educational informational symbol; what it means and how parents can use it. Public Service Announcements that aired throughout the quarter that pertained to children and teenagers were, Distracted Driving while texting, Student Attendance, Pedestrian walking and texting dangers. Details regarding air dates and times can be found in the NBC and WHEC Childrens Programming Report. Once a week during this quarter we recognized kids who have gone above and beyond to help others. They are the recipients of the Rochester Police Departments and News10NBCs, Do the Right Thing award. The winners have done noteworthy things, such as organizing charity events, preventing bullying or going out of their way to help a classmate in need. Profiles were broadcast during our newscasts. During this quarter there were twelve Sundays to report for our childrens programming that aired at 11:30AM on our DT.1 channel as well as all of our childrens programming on our secondary channel ME-TV DT.2. During 3rd quarter of 2018 there will be fourteen Sundays to report childrens programming.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Zoo Clues is a program specifically created for young people between the ages of 13 and 16. The program's presentation mix of narration, visuals, and very well chosen topics delivers education and information while it entertains. Zoo Clues will leave viewers with a meaningful perspective about animas and meaningful comparison to their own human characteristics. The show's clever narration links disparate information together in a way that always makes clear that what viewers see is real, natural, and relates to their own life in the real world.
