Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	The license for WNYT-TV, LLC has been renewed with an expiration date of 6/1/23. WNYT-TV, LLC ceased broadcasting its analog channel on 6/12/2009 per FCC. Programming that is Educational and Informational is noted within this report. Reports stating this are available on line and in the station. During the first quarter of 2019, WNYT/WNYA was involved in many programs that highlight children and also outreach to children. WNYT/WNYA have produced two large continuous programs that are children related. They are the Athlete of the Week and STEM. ATHLETE OF THE WEEK During the school year WNYT/WNYA NewsChannel 13 works in conjunction with Fidelis Health Care to highlight exceptional student athletes in the Capital Region. Two students are highlighted each week during the first quarter, 2019. The STEM program includes stories that relate to science, technology, engineering and math. The segments that are produced are targeted to our younger audience and bring forward businesses that are STEM related along with STEM in our daily lives. Tours were given to students from local schools. Our Top Teacher program aired from January 16th. The program will end in mid-April. Many students nominate teachers that have taught them through the years. WNYT/WNYA select 13 teachers from various cities in our viewing area. We highlight teachers who teach every subject, from math to chorus. We also host a program that highlights strictly student volunteers. There are 13 students that are highlighted from March through June, 2019. Various non-profit organizations are brought to light. These organizations are often not well known. Our viewers learn about them due to the 13 Kids Who Care program.
