Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The world's cultures and its geographical wonders come alive as the youngest president in Explorers Club history, Richard Wiese, takes viewers on a globetrotting adventure. While developed for 13-16 year olds, Born to Explore is engaging for the whole family. In this weekly half-hour series, Richard uncovers amazing facts of nature and man-made treasures. The host, Richard Wiese, takes the role of the ultimate Social Studies teacher to a new level, bringing the viewing audience to the places and people of our world who form our cultures. Whether Richard climbs Mount Kilimanjaro, explores why people live at the base of an active volcano, or travels down the Nile River, viewers will travel the world without leaving their homes.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This half-hour weekly series is designed and produced to educate children aged 13-16 about the rescue, rehabilitation and, in many instances, release back into the wild of ocean wildlife. Sea Rescue offers educational and entertaining television by demonstrating the welfare and medical benefits that rescue and rehabilitation programs provide animals. This program seeks to educate viewers that there's a reciprocal benefit to sea animal rescue: rescued animals provide valuable insight into their biology and ecology and the information obtained adds to the pool of knowledge necessary to conserve threatened and endangered species. Each week, Sea Rescue seeks to leave its audience inspired by the real-life stories of the featured animals and rescuers and with a fuller understanding of the rich array of sea life with which we share our planet.

Age of Target Child Audience	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Young,enthusiastic and passionate about food, Claire Thomas is the 22-year-old host who opens viewers' eyes to how everyday life can inspire culinary creations in Food for Thought with Claire Thomas. Each weekly-half hour episode, produced for ages 13-16, informs and educates teens about the power of food as a tool for exploring new places, meeting new people and learning about different cultures. Claire serves as a role model for 13- to 16-year- old viewers by sharing stories in the kitchen that demonstrate her passion for her family, life, and healthy living. Creative inspiration can come from any place at any time - sometimes from family, sometimes from friends, sometimes even from bloggers seeking her help. No matter how exotic or local the location, she's always in search of new tastes and places to explore. Based on her unique perspective gathered throughout each episode, Claire will teach the audience how to prepare the "inspired" dish while promoting a healthy attitude towards food and life.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Taste Buds is a weekly half-hour series for children aged 13-16 that encourages them to think about what they eat, be creative in the kitchen, and explore foods from the world around them. Viewers learn and laugh as the hosts cook up age-appropriate recipes and go on fun food adventures. With a group of young hosts who are culinary explorers, viewers will delve into the culture, history, science, and art behind the food. Each episode explores a new food theme, beginning with the simple phrase, "Foods that.." and rounding off with the hosts creating and customizing theme-inspired recipes that kids and parents will want to make together. Taste Buds communicates a positive message about healthy eating, kitchen safety, and environmental responsibility. This program aired in simulcast on our Live Well Network on D2 (HD) and D3 (SD), a single 24/7 digital multicast platform.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Sports Stars of Tomorrow" displays the hard work and dedication that it takes to be a true sports star. It chronicles the trials and tribulations of the arena. The program helps youngsters realize that their full potential in both life and the playing field are attainable with lots of hard work and determination. It reinforces the importance of key values like dedication, discipline, commitment and community involvement. "Sports Stars of Tomorrow" also provides in-depth human interest stories that reveal the important challenges and lessons that mold our young athletes. Not everyone is cut out to be a superstar. This program recognizes those athletes that have learned "life lessons" along the way while battling varying obstacles. These stories inspire and teach our youth that while many desire greatness on the grand stage of competition, much can be learned through the journey that can make a significant difference throughout one's life. This program aired in simulcast on our Live Well Network on D2 (HD) and D3 (SD), a single 24/7 digital multicast platform.

Program Title	Sea Rescue (D1)
Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturdays/11:30AM -12:00 PM ET
Total times aired at regularly scheduled time	13

Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This half-hour weekly series is designed and produced to educate children aged 13-16 about the rescue, rehabilitation and, in many instances, release back into the wild of ocean wildlife. Sea Rescue offers educational and entertaining television by demonstrating the welfare and medical benefits that rescue and rehabilitation programs provide animals. This program seeks to educate viewers that there's a reciprocal benefit to sea animal rescue: rescued animals provide valuable insight into their biology and ecology and the information obtained adds to the pool of knowledge necessary to conserve threatened and endangered species. Each week, Sea Rescue seeks to leave its audience inspired by the real-life stories of the featured animals and rescuers and with a fuller understanding of the rich array of sea life with which we share our planet.

Program Title	Food For Thought with Claire Thomas (D1)
Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturdays/12:30-1:00 PM ET
Total times aired at regularly scheduled time	13

Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Young,enthusiastic and passionate about food, Claire Thomas is the 22-year-old host who opens viewers' eyes to how everyday life can inspire culinary creations in Food for Thought with Claire Thomas. Each weekly-half hour episode, produced for ages 13-16, informs and educates teens about the power of food as a tool for exploring new places, meeting new people and learning about different cultures. Claire serves as a role model for 13- to 16-year- old viewers by sharing stories in the kitchen that demonstrate her passion for her family, life, and healthy living. Creative inspiration can come from any place at any time - sometimes from family, sometimes from friends, sometimes even from bloggers seeking her help. No matter how exotic or local the location, she's always in search of new tastes and places to explore. Based on her unique perspective gathered throughout each episode, Claire will teach the audience how to prepare the "inspired" dish while promoting a healthy attitude towards food and life.
