Digital Core
Programming

| Question | Response |
|---|----------|
| State the average number of hours of Core Programming per week broadcast by the station on its main program stream | 3.0 |
| State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream | 168.0 |
| State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671: | 3.0 |
| Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673? | Yes |
| Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams? | Yes |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This program is an exciting and entertaining series which takes viewers on location to explore the magnificent an immense world of Africa's animals. Ushaka, a young South African host, takes viewers from the brushlands of the Savanna to the great Okavango, and from the greatest game reserves to the most remote beaches of Madagascar and more. The viewer will see everything from rare African birds to "creepy crawlers" to animal babies interacting with their mothers and siblings. The viewer will learn about life science as well as biological facts, which will educate the viewer about the natural activities of a series as well as its environment and the need for wildlife conservation and how to better support the protection of endangered species. This program aired on the secondary digital stream. |

|---|--|
| Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)? | Yes |
| Name of children's programming liaison | Jeffrey Simmons |
| Address | 6155 Eastex Freeway, Suite 300 |
| City | Beaumont |
| State | TX |
| Zip | 77706 |
| Telephone Number | (409)840-4444 |
| Email Address | jsimmons@sbgvtv.com |
| Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3. | During the fourth quarter KBTv addressed the educational and informational needs of local children through a variety of programming, outreach activities and sponsorships of local children's events and fundraisers. KBTv partnered with local businesses in our annual "Fill The Truck" a food drive that benefits the local food bank. KBTv provided opportunities for boy scout troops to visit and tour the station to learn about careers in broadcasting. Several opportunities were provided for interns in the news and promotion departments. Additionally, station management served on the Board of Directors for the Shorkey Center, a non-profit that provides physical and occupational therapy for down's syndrome children up to age 12. They also provide education for pre-school age children. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This program is an exciting and entertaining series which takes viewers on location to explore the magnificent an immense world of Africa's animals. Ushaka, a young South African host, takes viewers from the brushlands of the Savanna to the great Okavango, and from the greatest game reserves to the most remote beaches of Madagascar and more. The viewer will see everything from rare African birds to "creepy crawlers" to animal babies interacting with their mothers and siblings. The viewer will learn about life science as well as biological facts, which will educate the viewer about the natural activities of a series as well as its environment and the need for wildlife conservation and how to better support the protection of endangered species. This program will air on the station's digital channel 2. |
