Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	In this entertaining weekly half hour program, Mr. Silverman, the well-known Hollywood animal trainer and author, demonstrates how to train dogs and cats with the help of his furry friends either in-home or on location. The visual instructions are an easy way to learn the art of training our four-legged family companions. Also, each week other animal trainers will talk about their experiences with dogs and cats - especially the specific training needed for a film, television program or commercial. We call this segment "Animal Actors." The skills learned in each half hour is not only to improve training skills but will teach young people patience, kindness, responsibility, determination and understanding - all needed in life, as well.
