Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	TURBO DOGS is an animated show based on the books, "Racer Dogs", by Bob Kolar. The series follows a group of six dogs from Racerville who love to compete with one another in races. In each story, one or more of the dogs encounter and solve problems that teach them social-emotional lessons on good sportsmanship, teamwork, cooperation, playing fair and friendship. The show also imparts information on the mechanics of racing such as directionality and concepts of distance and time. The social-emotional messages are embedded through the stories using action and humor. The tags at the end of each episode reiterate and establish the educational message learned by the dogs.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	THE MAGIC SCHOOL BUS is based on a series of children's books about science written by Joanna Cole. The show features the ingenious Ms. Frizzle, an elementary school teacher and intrepid explorer who piles her students into her Magic School Bus and takes them on amazing field trips to impossible locations. The goal of each field trip is to answer questions or learn many new things about the place the class visits. Each episode is a fact-filled expedition to places as diverse as the solar system, the human body, or even inside weather systems. The bus transforms to suit the environment and the kids freely explore and share their learning with each other and with Ms. Frizzle, who nudges them to "make connections" and answer their own questions with research. The class pet, Lizzie, a large lizard, accompanies the class on their field trips. The content of the show is appropriate for children from ages 6 to 10 and, in addition to all the factual content, the children also have a social-emotional problem to solve that is embedded into the story line.
