Describe the educational and informational objective of the program and how it meets the definition of Core Programming.

On the Spot challenges viewers to recall middle and high school knowledge about history, science, math, English, second languages, health, geography, art, music, and technology, and then teaches them the answer. Among a field of narrowly-focused E/I programs, On the Spot stands out as most the scholastically diverse and enriching educational program on the market. This program will air on the stations channel 25.2
