Total times aired	
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Atlas in previous years has maintained a high level of educational value. It has addressed issues appropriate for both general public and the secondary classroom with a presentation that included large numbers of clips, wide ranging photography, fast-paced editing, and a non-condescending vocabulary level. The programs in the latest series of Animal Atlas happily maintain those strengths. It is differentiated from previous years by its sense of humor. Entertaining the viewer with wit and observation augments the educational integrity of its content. The level of humor, like the level of vocabulary, is most suited for middle school (ages 13-16) with applications of topic that could extend into higher grades.
