Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.3
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Steal the Show provides CORE programming in the areas music, music composition, the music recording process and musical instruments. All aspect of the process are covered : Creating the melody, writing the lyric, creating harmonies, developing instrumentals, and recording the song in the studio. With schools across the country cutting funding to music related programs, Steal the Show fills an important void. Students will be empowered with the knowledge and skills they will broaden as they follow the most prominent young songwriters of the past 20 years.

Program Title	Into the Wild
Origination	Syndicated
Days/Times Program Regularly Scheduled	Sunday 6A
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The series is based on Jack Hanna traveling the world with his friends and family, taking viewers to his favorite destinations and introducing them to new and amazing creatures each week. Throughout Jack's travels, he informs viewers with insights into different cultures, world geography, natural history, and spectacular animal behaviors and facts, while teaching children the importance of environmental stewardship. The episodic content will certainly further the educational and informational needs of children aged 13 to 16.
