Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Culture Click: This half-hour series explores the genesis of - and reasons behind - cultural events that permeate our everyday lives. Host Nzinga Blake opens each episode from her virtual reality set with a list of what's trending on search engines that week - those topics will serve as a jumping-off point for a deep-dive into the culture that shapes us. Experts in pop culture will join her to add insight and historical perspective. And most importantly, viewers will come away with a week's worth of "aha!" moments to share with their friends and family.
