Digital Core  
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	5.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The educational goal of this program is to show teens the proper reaction when faced with everyday circumstances. The program will, through dramatic reenactments, document ordinary teens who accidentally find themselves in perilous and challenging situations, interview the participants and talk to various experts who will explain what the proper reaction should be when faced with similar perilous circumstances. A moral dilemma segment will also be featured in each show in an effort to help teens to make the right decision at the right moment. This program aired on the main digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program is hosted by teens and used peer reporting to profile individuals and organizations committed to environmental issues, including reports on the latest recycling and nature conservation efforts, advances in renewable energies and carbon footprint-reducing technology. It also offers advice on how to be more eco-wise, while performing daily activities. The program also includes "eco bytes" (bits of trivia related to environmental issues) and video footage uploaded by teen viewers to the program's website. By using this information from a youthful point of view, it enthusiastically encourages young adults to become more proactive about environmentalism and stresses the positive impact that young people's efforts, no matter how small they may seem, can have on the larger world around them. This program aired on the main digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The key objective of this program is to familiarize children with the animals of the North American continent, their interaction with other animals and their environment. Throughout the series emphasis will be placed upon protecting endangered species and the impact that humans have while interacting in their environment. The goal of this program is for the viewer to achieve a greater understanding of nature and specific animal species with the aid of up close and detailed photography throughout the program. Through this understanding it is hoped that viewers will better relate to the natural environment as it exists in North America and learn to protect North America's animal species.This program aired on the secondary digital stream.

Program Title	DOG AND CAT TRAINING

Origination	Network
Days/Times Program Regularly Scheduled	WEDNESDAYS AT 8:00AM
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	In this entertaining weekly half hour program, Mr. Silverman, the wellknown Hollywood animal trainer and author, demonstrates how to train dogs and cats with the help of his furry friends either in-home or on location. The visual instructions are an easy way to learn the art of training our four-legged family companions. "K9's of OC" is a segment dedicated to helping the pet owner, in their home, to overcome their most troubling issue with their pet. Mr. Silverman demonstrates exactly what is required to eliminate the problem. This is helpful for any household who has a dog and wants to improve obedience. Other weekly segments include "Working Dog" and "Advance Behavior" both entertaining and educational. The skills learned in each half hour is not only to improve training skills but will teach young people patience, kindness, responsibility, determination and understanding - all needed in life, as well.This program will air on the secondary digital stream.

Days/Times Program Regularly Scheduled	FRIDAYS AT 8:00AM
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Game Ranger Michelle Garforth-Venter takes the viewers along as she explores habitats on land as well as under the water. She interacts with researchers and veterinarians, from whom she learns about their work and is able to make suggestions about job opportunities in conservation. Through Michelle, the viewers learn about the anatomy of the species at hand, the conservation listing and how to better preserve their population numbers. Each episode is designed to reveal to the viewer the value of wild spaces and the creatures that live within.This program will air on the secondary digital stream.

Other Matters (12 of 12)	Response
