Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The key objective of this program is to familiarize children with the animals of the North American continent, their interaction with other animals and their environment. Throughout the series emphasis will be placed upon protecting endangered species and the impact that humans have while interacting in their environment. The goal of this program is for the viewer to achieve a greater understanding of nature and specific animal species with the aid of up close and detailed photography throughout the program. Through this understanding it is hoped that viewers will better relate to the natural environment as it exists in North America and learn to protect North America's animal species. This program airs on the station's digital channel 1.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Think Big is a kid-hosted entertaining series for young people following the world's most innovative kids as they create and invent new toys, games, learning tools, websites, and modes of transportation. The program features top kid inventors who face off against one another in an Invent-Off to see who can come up with the most innovative and creative invention. In each episode, two teams brainstorm, choose materials, sketch and design their idea. Once completed the inventions are judged. This program allows kids to showcase their skills in creativity, science, innovation, marketing and teamwork. This program airs on the station's digital channel 1.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program addresses areas of particular concern to young teens; including global, social, educational and wellness issues. Elizabeth and select celebrity friends travel around the world volunteering in areas of specific need. The program combines exciting, fun and diverse experiences of world exploration with life-changing volunteer opportunities. Various age-appropriate global issues are introduced to the viewing audience through in-depth and thoughtful interviews. In addition, Elizabeth and friends' personal hands-on experiences in the field both inspire teens in selfless, helping behaviors, and educate them on where and how to find volunteer opportunities. This program airs on the station's digital channel 1.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program is a musical variety show that is driven by three siblings, and empowers children to accomplish their goals and their dreams. AZE2 accomplishes this through interviewing people who excel in their profession and have a positive message for kids. As hosts, these children entertain and inform their audience through song, dance, music and dialogue. This show supports and encourages respect for others, having integrity, following directions, putting forth your best effort and taking responsibility. This program is an upbeat, diverse and entertaining series that will inform young people on a variety of subjects, while keeping their interest. This program airs on the station's digital channel 2.
