Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The key objective of this program is to familiarize children with the animals of the North American continent, their interaction with other animals and their environment. Throughout the series emphasis will be placed upon protecting endangered species and the impact that humans have while interacting in their environment. The goal of this program is for the viewer to achieve a greater understanding of nature and specific animal species with the aid of up close and detailed photography throughout the program. Through this understanding it is hoped that viewers will better relate to the natural environment as it exists in North America and learn to protect North America's animal species. Airls on "digital 1".

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program is a musical variety show that is driven by three siblings, and empowers children to accomplish their goals and their dreams. AZE2 accomplishes this through interviewing people who excel in their profession and have a positive message for kids. As hosts, these children entertain and inform their audience through song, dance, music and dialogue. This show supports and encourages respect for others, having integrity, following directions, putting forth your best effort and taking responsibility; which is a wonderful message for American youth. This program is an upbeat, diverse and entertaining series that will inform young people on a variety of subjects, while keeping their interest. Airs on "digital 2".

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program shows the hard work and dedication that it takes to be a true sports star. It chronicles the trials and tribulations of young athletes as they strive to become a top level performer in the sports arena. This program helps viewers realize their goals in both life and the playing field are attainable with hard work and determination. It reinforces the importance of key values like dedication, discipline, commitment and community involvement. The program also provides in-depth, stories which reveal the important challenges and lessons that mold our young athletes. Through these stories the viewer learns that while many desire greatness on the grand stage of competition, much can be learned through the journey that can make a significant difference throughout one's life.
