Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"THE ZULA PARTOL" is an animated show about six extraterrestrial characters- Captian Bulla, his co-pilot Teeter, Professor Melton, their pet, Gorge, and their flying dictionaries, Dizzy and Wig-who learn key science concepts as they explore the galaxy through space missions. Often, the group encounters the evil Dark Trader and his talking toupee minion, Tracie, and must thwart Trader's poorly planned schemes to take over the universe. Each character exhibits unique abilities and traits that, combined with their new knowledge, helps them problem-solve their way through journeys. Using an integrated approach to target diverse learning styles, that show communicates its educational messages through narratives and a two-part information segment at the end of each story.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"SHELLDON" is an animated series that takes place in Shell Land, a mythical undersea world populated by characters from a wide array of water dwelling species. The main character, Shelldon, is an orphaned yoka shell mollusk who was adopted by the Clam family, and now lives with them in the family-owned Charming Clam Inn. Dr. Shell, an elder and venerated inventor, and Connie, a cowry shell classmate of Shelldon's also live at the inn. Shelldon and his buddies Herman (a Hermit crab) and Connie always work together and solve problems that they face in school or in the community. A recurring problem is to staunch the plans of the local millionaire, Cecil Cracken, whose greed puts making money over protecting the environment. Dr. Shell is typically the children's key provider of knowledge and other resources. In each episode, the children learn a significant social-emotional lesson and also share information relating to their ocean habitat and environmental protection.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"JANE AND THE DRAGON" is a coming-of-age story about a middle-class, medieval girl who lives in the Royal Court with her family. As an only child, Jane is raised to be a Lady-in Waiting but through her determination and a stroke of luck, she ends up being trained as a Knight in the King's Guard. Accompanied by her best friend, a giant green Dragon that lives in her backyard, Jane experiences a series of adventures that test her character and her skills as a young knight in a castle full of friends and foes. Each episode in the show takes us through the problems and challenges Jane encounters and the process she goes through to find the solutions for them.

Program Title	Noodle & Doodle
Origination	Network
Days/Times Program Regularly Scheduled	Sat. 9:00a-9:30a
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	6 years to 10 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Noodle and Doodle is an instructional series that features creating art projects and cooking projects around a specific theme. The show is hosted by Sean, who drives around in a double-decker bus fully equipped with art supplies and a kitchen, all ready for any assignment. The projects encourage parent engagement and often feature families working together to make something for display in the child's home. Sean is accompanied by Doggity, an every-faithful Beagle dog, who transforms into an animated character during interstitial trips to a parallel universe and kitchen full of prank playing animated characters. The art projects typically feature lessons on recycling materials for re-use in making art and always demonstrate that creativity can transform something intended for one purpose into something useful to achieve a completely different goal.

Program Title	The Pajanimals
Origination	Network
Days/Times Program Regularly Scheduled	Sat. 9:30a-10:00a
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	6 years to 10 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Pajanimals are a group of four preschool aged puppets who live together in house with their off-screen mother and father. We meet them in the bedroom, a dormitory of sorts, where they show us their nighttime routine of brushing their teeth and having quiet conversation before falling off to sleep. The quiet time, always turns into a discussion that results in a dream-like adventure to solve a problem, such as overcoming shyness, making a new friend, or dealing with a bully. The adventure takes place in several nighttime dream locales where special friends help them work through the socio-emotional problem of the day. Specific approaches to managing the problem are demonstrated and practiced during the adventure, and the children return home confident, getting ample rest for today and facing their issues tomorrow.

Program Title	Poppy Cat
Origination	Network
Days/Times Program Regularly Scheduled	Sat. 10a-10:30a
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	6 years to 10 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Poppy Cat is based on the book series by Lara Jones and uses embedded lessons on imagination and storytelling to encourage creating thinking for preschool children. In each story the narrator, Lara reads a story about Poppy Cat, to her own cat named Poppy. She makes up a story that will be exciting and just follows her imagination to distant lands reached by boat, plane or train. Poppy Cat is the leader of his group of animal friends, and the story always features an underlying message about being nice to yet ignoring the antics of the resident bully, a badger named Egbert. The lesson is always to think creatively and exercise your mind through reading and storytelling because it will always lead to enjoyment and adventure.

Program Title	Justin Time
Origination	Network
Days/Times Program Regularly Scheduled	Sat. 10:30a-11:00p
Total times aired at regularly scheduled time	13

Length of Program	30 mins
Age of Target Child Audience from	6 years to 10 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Justin Time features and little boy, Justin, who wants very much to master his destiny, have great adventures, and solve problems. He begins with a problem that vexes him and daydreams his way into an adventure that takes him to different places around the world, but also provides him with an experience that helps him solve his problem when he returns home. While on the adventure he is accompanied by Olive, a knowledgeable imaginary playmate, and Squidgy the morphing flying sponge, who provides commentary and comedy along the way. Justin's lessons involve learning, for example, that it takes focus to achieve success, failure can teach what we need to do to succeed next time, or when one path to solve a problem doesn't work, you can find another way to get to your goal. Justin is all about self-directed learning from the young child's perspective and imagination.

Program Title	Lazytown
Origination	Network
Days/Times Program Regularly Scheduled	Sat. 11a-11:30a
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	6 years to 10 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>Lazy Town promotes fitness and healthful habits for preschool children. It takes place in an imaginary setting, Lazy Town, and most episodes relate children's eating and fitness habits to problem solving in their "real world." The lead character, Stephanie, guides the audience through the story. She and her best friends, a group of "human" puppets reside in Lazy Town, where her uncle is the Mayor Milford Meanswell.</p> <p>The underground spy and influencer who defines the ethos of Lazy Town is Robbie Rotten, and he is determined to ruin the health and fitness practices of Stephanie and her friends. When the kids get into difficulties with Robbie Rotten, it is Sportacus, gymnast/athlete who comes to the rescue from his home in a spaceship that hovers over earth, prepared to answer to any call for help. The ever-present theme of Lazy Town is to eat "sports candy" which consists of fruits and vegetables, get sufficient sleep, and go outside and engage in a wide range of physical activities, from playing games, holding athletic competitions, to building forts and play structures.</p>

Program Title	The Wiggles
Origination	Network

Days/Times Program Regularly Scheduled	Sat. 11:30a-12:00p
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	6 years to 10 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Wiggles is a musical variety show specifically designed for pre-school children. Starring Tony, Murray, Greg and Jeff, the Wiggles offers a montage of skits that are specifically designed for teaching and entertaining the preschool audience. Supported by an ensemble of characters, larger than life animals (humans dressed as animal characters) and a pirate, Captain Feathersword, the Wiggles teach numbers, letters, colors, matching and classifying what belongs together (or not), and following directions. There's dancing, occasional guest artists, and lots of visual interest for the viewer, while the lessons are broken down into easily understandable elements for the preschool child.
