Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	STATION TOURS of KGTV are offered to children of all ages - from Scout groups eager to learn about the television business to high school and college students interested in Broadcasting and Journalism careers. Kids get an extensive tour of the station, have an opportunity to get in front of the camera and even watch a live newscast. 10LEADERSHIP AWARDS are presented to community leaders who have founded non-profit organizations or have been instrumental in organizing projects and fundraisers in San Diego. During the Fourth Quarter of 2014, one of our recipients was a 14-year-old ninth-grade student who has raised more than \$30,000 for leukemia and lymphoma support and research. After her aunt passed away from leukemia seven years ago, Sophia set up a stand offering lemonade and cookies in her driveway on her late aunt's birthday. Over the years, neighbors and local businesses joined in. Now her neighborhood has an annual block party catered by community businesses, a silent auction of goods and services donated by the community, a bounce house, face-painting, live music and more. This year alone, Sophia's Cookies for a Cure and Lemonade Stand collected more than \$12,000 for support and research. After due review of internal station records and documentation provided to us by program suppliers, the licensee hereby certifies as follows: (1) the only programs specifically designed for children twelve and under that the station broadcast this quarter are disclosed in this report and (2) the licensee fully complied with the FCC's commercial limits, as specified at 47 C.F.R. Section 73.670, with respect to these programs. KGTV has terminated analog operations. Therefore questions 7(b) and 7(c) no longer are applicable.
