Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	On the station's main digital stream on Saturday, December 5, the station preempted the children's programming window for broadcast of the "Teleton USA." The goal of the annual effort is to raise funds to help improve the quality of life for children with disabilities. However all programs were made-good on December 20 and promotional efforts with rescheduled times and date were aired
