Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Aqua Kids Adventures provides CORE programming in the area of biology and specifically the ecosystem related to the ocean, its tributaries and estuaries. Children can learn about the resources of the oceans and how protection of oceans is necessary to present and future generations. Not only does the show teach biological topics, but it aims to enrich children's lives by making them aware of future generations, the role they play now, and for generations into the future, with the biggest ecosystem on earth-the oceans. Each episode provides information related to a specific topic and gives an educational approach to understand the topic related to the entire ecosystem of the Earth. Aqua Kids Adventures provides kids with a way to learn about the diversity of marine animals around the world and the importance of preserving their fragile aquatic habitats. Through the use of hands-on collaboration between kids and science researchers and educators, Aqua Kids Adventures encourages children to take an active role in protecting the future of their communities and the world. On February 7, this program was preempted due to a technical error a make-good was scheduled and promotional efforts were made to notify the public of the rescheduled date and time. The station preempted this program for a Christmas special the episode was made good with promotional efforts on the new time and date.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Teen Kids News is a weekly news program that provides information and news to kids in a manner that is educational and appealing. Whether the featured stories or events are of national, international or even world-wide importance, each segment is carefully designed to appeal to the viewers at their own level. The program covers current topics that young viewers can relate to such as safety tips for new drivers; importance of visiting potential colleges or universities; the dangers that cliques may cause; healthy teen relationships; voluntary drug test programs and internet predators. Other segments are geared towards more historical facts and hard-news like the Brooklyn Bridge; the US flag; Europe transportation then and now; Closed Captioning; FDR Memorial and Make-A-Wish Foundation. This program stimulates young viewers curiosity, develops their learning and cognitive, listening and thinking skills. Due to technical issues this program was preempted on October 10. An additional E/I core program will be added for the first quarter.

Program Title	Aqua Kids Adventures (third digital stream)
Origination	Network
Days/Times Program Regularly Scheduled	FRI, 10:00 AM & 10:30 AM
Total times aired at regularly scheduled time	26
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Aqua Kids Adventures provides CORE programming in the area of biology and specifically the ecosystem related to the ocean, its tributaries and estuaries. Children can learn about the resources of the oceans and how protection of oceans is necessary to present and future generations. Not only does the show teach biological topics, but it aims to enrich children's lives by making them aware of future generations, the role they play now, and for generations into the future, with the biggest ecosystem on earth-the oceans. Each episode provides information related to a specific topic and gives an educational approach to understand the topic related to the entire ecosystem of the Earth. Aqua Kids Adventures provides kids with a way to learn about the diversity of marine animals around the world and the importance of preserving their fragile aquatic habitats. Through the use of hands-on collaboration between kids and science researchers and educators, Aqua Kids Adventures encourages children to take an active role in protecting the future of their communities and the world. On February 7, this program was preempted due to a technical error a make-good was scheduled and promotional efforts were made to notify the public of the rescheduled date and time.
