Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Will and Dewitt, along with their human and animal friends, face challenges, such as the first day of school, or tying their shoes for the first time. They often overcome these challenges by means of their own brand of ingenuity and perseverance, mixed with an ample dose of joy and humor. The boy and his frog, just like real little kids, commonly make mistakes and errors of judgment which at the time may seem monumental, but serves as motivators of growth. Along with this essential skill-based and pro-social education, the series also gives viewers an opportunity to learn primary knowledge based skills. Along with Will and Dewitt, children work with the alphabet, language, numbers, directions, sequences and colors. "This program will air on the main digital stream".
