Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Airing on 20.1 from CTV this program is targeted toward teenagers, but has a great impact of pre-teens as well. YOUTH BYTES uses humorous situations to confront the needs of teenagers in this fast pace, high tech world we live in. The program is out to reach a media driven, tech-savy generation of youth who are bombarded with conflicting messages, and yet can be passionate about discovering the truth. With lots of humor, host Chad Daniels teaches teens about character development, peer pressure, dealing with others, teamwork, and learning to work with others.
