Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Elizabeth Stanton's Great Big World provides dynamic core programming in the areas of particular concern to young teens; including global, social, educational, and wellness issues. Award-winning teen hostess Elizabeth Stanton and select celebrity friends travel around the world volunteering in areas of specific need - ranging from feeding the hungry in the slums of Kenya to bringing hearing aids to Vietnamese neighborhoods whose citizens have experienced high rates of profound deafness and hearing loss. Great Big World offers a dynamic television experience for teens - combining the exciting, fun, and diverse experiences of world exploration with the life-changing volunteer opportunities available in these same areas. Various age-appropriate global issues are introduced to the viewing audience through indepth and thoughtful interviews with Elizabeth, her travel buddies, and the friends they meet along their journey. In addition, Elizabeth and friends' personal hands-on experiences in the field both inspire teens to engage in selfless, helping behaviors in addition to educating them on where and how to find volunteer opportunities.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Exploration with Jarod Miller is a half hour live action television program designed to meet the educational and informational needs of children 13 to 16 years of age. Each week Jarod looks at exotic and domestic animals from his own unique perspective. Every week Jarod travels to zoos and aquariums to explore animals that fit a particular theme, whether its the need for speed or animal heroes-there's always something amazing happening. Filled with energy, youth and humor, Jarod is a welcome visitor in living rooms around America on a weekly basis. The mission of this program to inspire viewers, children and adults alike, to preserve the innate human instinct to explore. The producers design each episode to reveal to children the world around them in a way that identifies positive role models and pro-social values within an environmentally responsible universe. In order for parents, children, and listing services to clearly identify the program as one that fulfills the FCC description of a program that meets kids' educational television needs, each episode will display the recommended rating TV-G E/I icon from beginning to end.

Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>MLB Player Poll will serve the educational and informational needs of teenagers by providing insight into the opinions and perspectives of Major League Baseball players. Specifically, the 2012 season of MLB Player Poll will educate young viewers on how the game of baseball is played and provide instructions regarding the techniques that successful players use. The show will also glean insight into players' preferences in areas outside of baseball with topics like "What Career Interests You After You Retire from Baseball?," or "What Is Your Favorite City To Play In?" or "What Player From History Would You Most Like To Watch/Play For/Play Against?" In addition, MLB Player Poll will provide examples of healthy debate, expressing an opinion using supporting evidence and analyzing statistics to confirm or refute a previous held belief. The results of the poll question that will serve as the heart of each episode will be represented graphically using traditional charts and graphs in a manner designed to help teenagers process similar information they will encounter in newspapers, magazines and textbooks. Finally, the emphasis on physical education in each episode of MLB Player Poll will inspire young viewers to get off the couch, go outside and exercise. MLB Productions, with continued guidance and advice from NASPE (National Association for Sport and Physical Education), will strive to make every episode of MLB Player Poll meet the FCC's E/I standards for young adult programming. The program is regularly scheduled and airs between the hours of 7:00 am and 10:00 pm. The program is 30 minutes in length, and is identified as an educational and informational show, targeted to teens (13-16 year olds), at the beginning and through each broadcast and in listings provided to publishers of program guides.</p>

Days/Times Program Regularly Scheduled:	Saturday 6:30a (4/7-6/30/12)
Total times aired at regularly scheduled time:	13
Number of Preemptions	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Atlas Classics continues its tradition as a series that blends animal images with information on a wide range of life science issues in a manner that is entertaining and clever. The episodes combine facts, comparisons, and reflections on broad concepts with an engaging narration that targets the 13 to 16 year old age range in both vocabulary and interest level. The series is rich with interesting details that support examination and curiosity.The program maintains educational integrity while remaining entertaining to its target age group. Additionally, there is a wide range of visuals that support viewer interest from underwater photography to close ups of animal morphology and an editing style that includes fast cuts and split screens to better make comparative points. The compare and contrast method of looking at mammals, lizards, invertebrates, and extinct species, while educationally sound, is kept entertaining with humor and an irreverent tone "perfect, again, for the target age. This blend of authentic educational value with target-age entertainment is typical of the Animal Atlas series. The entertainment value of the series may make the educational value nearly invisible to the viewer, but it is there.
Does the program have educating and informing children ages 16 and under as a significant purpose?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Atlas continues its tradition as a series that blends animal images with information on a wide range of life science issues in a manner that is entertaining and clever. The episodes combine facts, comparisons, and reflections on broad concepts with an engaging narration that targets the 13 to 16 year old age range in both vocabulary and interest level. The series is rich with interesting details that support examination and curiosity. The program maintains educational integrity while remaining entertaining to its target age group with such devices as intercutting facial close ups of a gorilla and a chimp as reaction shots, a narration that often addresses animals instead of the human audience, and a wonderfully whimsical musical score. Visuals, not facts, lead the content. The use of clear and colorful graphics is excellent as support for concept clarity. Size comparisons are done in silhouette, typical in state adopted textbooks and the global map with highlighted ranges elephant species is necessary for geographic context at the 13 to 16 year old age range. Additionally, there is a wide range of visuals that support viewer interest from underwater photography to close ups of animal morphology and an editing style that includes fast cuts and split screens to better make comparative points. The compare and contrast method of looking at mammals, lizards, invertebrates, and extinct species, while educationally sound, is kept entertaining with humor and an irreverent tone "perfect, again, for the target age. This blend of authentic educational value with target-age entertainment is typical of the Animal Atlas series. The entertainment value of the series may make the educational value nearly invisible to the viewer, but it is there.

Program Title	MLB Player Poll - 28.1
Origination	Network
Days/Times Program Regularly Scheduled	Saturday 3p (7/7-9/29/12)
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	MLB Player Poll will serve the educational and informational needs of teenagers by providing insight into the opinions and perspectives of Major League Baseball players. Specifically, the 2012 season of MLB Player Poll will educate young viewers on how the game of baseball is played and provide instructions regarding the techniques that successful players use. The show will also glean insight into players' preferences in areas outside of baseball with topics like "What Career Interests You After You Retire from Baseball?," or "What Is Your Favorite City To Play In?" or "What Player From History Would You Most Like To Watch/Play For/Play Against?" In addition, MLB Player Poll will provide examples of healthy debate, expressing an opinion using supporting evidence and analyzing statistics to confirm or refute a previous held belief. The results of the poll question that will serve as the heart of each episode will be represented graphically using traditional charts and graphs in a manner designed to help teenagers process similar information they will encounter in newspapers, magazines and textbooks. Finally, the emphasis on physical education in each episode of MLB Player Poll will inspire young viewers to get off the couch, go outside and exercise. MLB Productions, with continued guidance and advice from NASPE (National Association for Sport and Physical Education), will strive to make every episode of MLB Player Poll meet the FCC's E/I standards for young adult programming. The program is regularly scheduled and airs between the hours of 7:00 am and 10:00 pm. The program is 30 minutes in length, and is identified as an educational and informational show, targeted to teens (13-16 year olds), at the beginning and through each broadcast and in listings provided to publishers of program guides.
