Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Adventures of Chuck and Friends is an action-comedy to inspire children to approach playtime as an exciting, limitless adventure, in which everyone learns how to solve problems creatively, compassionately, and with a sense of humor. Chuck's storylines and characters aim to spark young children's imaginations, and encourage them to think of fun ways of turning their daydreams into action-packed adventures and games with their real-time friends. To support this mission, the characters and stories will inspire children to be good friends to their peers at home and at school by approaching social situations with self-confidence and a willingess to try new things. Through each week's stories Chuck and his friends will use problem-solving strategies such as teamwork, thinking creatively, taking responsibilities for their actions, perseverance when they encounter obstacles and to ask for help when trying to handle a frustrating situation. Each weeks' stories will demonstrate through creative storytelling by acknowledging that making mistakes is a natural part of any problem-solving, and everyone has strengths and weaknesses. This program airs on the main digital channel 15.1.
