Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program is an exciting and entertaining series which takes viewers on location to explore the magnificent and immense world of Africa's animals. Ushaka, a young South African host, takes the viewer from the brushlands of the Savanna to the great Okavango, and from the greatest game reserves to the most remote beaches of Madagascar and more. The viewer will see everything from rare African birds to creepy crawlers to animal babies interacting with their mothers and siblings. The viewer will learn about life science as well as biological facts, which will educate the viewer about the natural activities of a species as well as its environment and the need for wildlife conservation and how to better support the protection of endangered species. This program aired on the secondary digital stream, channel 2.

Liaison Contact

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Duane A. Myers
Address	2000 West 41st Street
City	Baltimore
State	MD
Zip	21211
Telephone Number	410-467-4545
Email Address	damyers@deerfieldmediainc.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	WUTB continued its commitment to childrens educational and informational needs during the 4th quarter with both broadcast and community outreach programming. We continued to partner with The CollegeBound Foundation to encourage Baltimore City youth including elementary school age children to dream and plan for their college education. The station aired PSA for national and local organizations including Baltimore Area Council Boy Scouts of America, The Chesapeake Youth Development Program, Toys for Tots, National Aquarium in Baltimore, B & O Railroad Museum, US Dept of Health and Human Services, US Dept of Education, Oral Health Initiative, and Baltimore City and Baltimore County Department of Recreation and Parks. The Champions of Courage Black History Month Essay Competition was launched and more than 3000 essays from Maryland middle and high school students were received.. The station sponsored the Sowebo Landmark 5K to benefit Field Day experiences presented by Docs in the Park encouraging physical outdoor activity for children and their families. Station talent and management participated in career day programs in local schools and conducted station tours for students in local colleges, technical schools, and Scout troops.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.

This program features weekly educational features such as, College and You, tips for choosing and getting into college, and Word, vocabulary skills training, as well as informational features for teens, such as reports about healthy eating; driving tips for new drivers, and internet predators. The program has been designed to meet needs of children and young adolescents with a unique curiosity about their world, with weekly headlines that present the news in a teen appropriate manner. The program stimulates the viewer's curiosity, develops their learning, cognitive, listening and thinking skills, and serves as an enhancement to their academic and educational experience. This program will air on the secondary digital stream, channel 2.

Certification

Question	Response
