Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Each episode will take a real family's favorite decadent dish, such as fried chicken, macaroni and cheese or nachos, and challenge two renowned chefs to create a lower-calorie, healthier version of the dish, to be analyzed by Everyday Health nutritionists. Once the burners have been turned off and the dishes plated, the family becomes the judge as they cast their votes based on how the new, healthier recipes taste and how easy they are to make, declaring which rehabbed dish and chef will win each week. In the process, host Danny Boome and chefs from the elite "Recipe Rehab" kitchen share their healthy eating tips while inspiring and educating children ages 13-16 and their families to live healthier lives.
