Program Title	Career Day
Origination	Syndicated
Days/Times Program Regularly Scheduled	Sundays 130pm (10/7/12-12/30/12)

Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Career Day is a television program that introduces young adults to career exploration and awareness. Students often do not know what they want to do and are unsure of potential interests they may have that could be a career. Career Day provides an avenue to view experts in their respective fields as they discuss their work, the education/training to prepare for the job and experiences that led them to choose their career. To encourage students to make informed decisions, young adults must be introduced to career awareness, such as the concept that success in most careers requires education and training. Each segment of Career Day delivers an educational and informational message that supports current social, intellectual and emotional aspects of children ages 13 and up. Attributes and advice emphasized by guests instill a grounded balance of priorities, dedication, and perseverance children can apply to their lives. The program will be regularly scheduled and air between the hours of 7:00am and 10:00pm. The program is 30 minutes in length and will be identified as an educational and informational show, targeted to 13-16 year olds at the beginning and through the broadcast and in listings provided to publishers of program guides.
