Digital Core  
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Young, enthusiastic and passionate about food, Claire Thomas is the 22 year old host who opens viewers' eyes to how everyday life can inspire culinary creations in Food for Thought. Each weekly-half hour, produced for ages 13-16, informs and educates teens about the power of food as a tool for exploring new places, meeting new people and learning about different cultures. Claire serves as a role model for 13-16 year old viewers by showing her passion for her family, life, and healthy living by sharing stories in the kitchen. Creative inspiration can come from any place at any time - sometimes from family, sometimes from friends, or even from bloggers needing her help. No matter how exotic or local the location, she's always in search of new tastes and places to explore. Based on her unique perspective gathered throughout each episode, Claire will teach the audience how to prepare the "inspired" dish while promoting a healthy attitude towards food and life.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	In this weekly half-hour series developed and produced to educate and inform viewers ages 13-16, our hosts scan the country finding those who 'pay it forward' to promote health and wellness. The remarkable people that viewers meet are referred to as 'agents of change,' special individuals who are making big changes in people's lives, one small step at a time. Everyday Health is a series that uniquely raises awareness to help fight obesity, raise self-esteem, establish physical fitness habits and prevent negative health choices. An inspirational program about people who confront challenges by taking control, Everyday Health, through captivating storytelling, reports on amazing teens and other selfless Americans who are 'paying it forward,' with good will and new ideas that will inspire other teens to take action

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Real Life 101 is a weekly half-hour program designed and produced for children aged 13-16. Each episode finds hosts Christie and Shawn exploring new professions in the exciting world of work. Real Life 101 presents real people pursuing real jobs and careers in an educational and informational format designed to help its viewers make important decisions about preparing for the future. The careers and people featured are carefully selected in order to present vivid impressions that can be used by the young audience. From doctors, lawyers and veterinarians to career counselors, drug counselors and special effects wizards, Real Life 101 takes viewers "on the job" to understand why these professionals love what they do while teaching about jobs teens may not have known even existed.

Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	In this weekly half-hour series developed and produced to educate and inform viewers ages 13-16, our hosts scan the country finding those who 'pay it forward' to promote health and wellness. The remarkable people that viewers meet are referred to as 'agents of change,' special individuals who are making big changes in people's lives, one small step at a time. Everyday Health is a series that uniquely raises awareness to help fight obesity, raise self-esteem, establish physical fitness habits and prevent negative health choices. An inspirational program about people who confront challenges by taking control, Everyday Health, through captivating storytelling, reports on amazing teens and other selfless Americans who are 'paying it forward,' with good will and new ideas that will inspire other teens to take action.
