With her animals and best friend Dooley as key elements of her team, Willa's Wild Life works on solutions to overcome her challenge. Together they find ways to maintain healthy friendships, experience success, develop competence, and become altrusitic. With help from her animal friends, Willa figures out how to earn the things she wants by helping others. She learns to appreciate the friends that she has rather than trying to change to fit in with the "cool" group. She realizes that asking questions is better than jumping to conclusions. Whether at school, home, or in the neighborhood, Willa finds a way to analyze her situation and learn from experience.
