Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Mad About... is a weekly, half-hour sketch-comedy/variety show aimed at educating and entertaining kids. A true E/I series, episodes use a creative mixture of humor, improv, animation, and viewer-generated video. Think Saturday Night Live meets The Electric Company. Mad About... conveys important messages about Life Skills such as personal finance, health & nutrition, fitness, conservation and decision-making in a fun and entertaining way. Each TV episode relies on a small company of skilled comedic actors to explore significant topics within a subject area. It incorporates comic monologues, sketch and improv comedy, eye-catching animation, music videos, humorous "man on the street" interviews, and viewer-created questions about life's issues.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Career Day is a television program that introduces young adults to career exploration and awareness. Students often do not know what they want to do and are unsure of potential interests they may have that could be a career. Career Day provides an avenue to view experts in their respective fields as they discuss their work, the education/training to prepare for the job, and experiences that led them to choose their career. Each segment of Career Day delivers an educational and informational message that supports current social, intellectual and emotional aspects of children ages 13 and up. Attributes and advice emphasized by guests instill a grounded balance of priorities, dedication, and perseverance children can apply to their lives.

Email Address	
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	After due review of internal station records and documentation provided to us by program suppliers, the licensee hereby certifies that the station fully complied with the FCC's commercial limits in children's programs, as specified at 47 C.F.R. Section 73.670, with respect to all programs specifically designed for children ages twelve and under. In addition to the educational or informational programs listed in this report, the station broadcast the following programs specifically designed for children ages twelve and under that were not core programming: None. The station did not broadcast an analog signal during this quarter. The licensee's response to Question 7(b) therefore assumes that the station's current main program stream serves as the equivalent to the station's former analog channel.
