Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	5.77
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Eco Company explores all aspects of being "green" and understanding how our actions impact the world. The E-Co team find out about global warming by asking questions to discover the truths and myths of the global warming issue. They learn about alternative energies by visiting wind farms and solar installations and discovering new energy technologies currently under development. They learn more about recycling, conservation and organics. The E-Team profiles teens and school organizations who have taken it upon themselves to make a difference, young entrepreneurs who are taking their passion for green to develop ideas, and new products for a sustainable future. Most importantly, each story and each feature is reported by teens and told from their perspective. Additionally each week the show will provide practical tips that teens, and people of all ages can use in their daily lives.

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	<p>On 11/01/2015 Fox ran an early NFL Game which caused On the Spot and Live Life and Win to be moved to their second home on 11/05/2015. The listing services were notified of the preemptions and the 2nd home dates and times. Crawls ran on 10/25/15 to notify the public the shows were being preempted and could be seen on Nov 5 at 7:00AM and 7:30AM. As a result of the NFL airing Fox News Sunday was rescheduled to 7:00-8:00AM on Nov 1. Also, on 11/1 Eco Company and Teen Kids News were preempted due to the start of the Fox NFL Game at 8:00 am. Crawls ran on 10/25 to notify the public the shows were being preempted and could be seen on Nov. 6 at 8:00 and 8:30. The listing services were notified of the preemptions and the 2nd home dates and times. ESCAPE: On October 10, the Escape Network experienced technical difficulties that resulted in the first hour of the block to be preempted and the remaining two hours to experience a start time delay of 9 minutes. One show from the first hour and one show from the second hour were made good as non-core programming on October 18. Since the entire 3 hour block on October 10 is being regarded as preemptions not made good, Escape Network will air an additional hour of E/I programming beginning January 9, 2016 for the duration of the 1st Quarter so that stations will be able to make up for the 4Q15 shortfall with the inclusion of the extra hour that will air the 1st Q of 2016.</p>
