| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. |  | This is an animal series with a uniquely scientific approach. While most animal shows look at the behavior of animals, Xploration Animal Science goes one step further to look at how and why an animal is able to excel in its environment. This series uses animation, graphics, and scientific analysis from animal experts to give viewers more understanding than ever before of these amazing creatures. A series that all animal lovers will watch and learn from. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | AWESOME ADVENTURES is a half-hour adventure series that airs 52 weeks a year. Our host, as well as two different teens, will travel each week to destinations around the world that can be both exotic and remote. AWESOME ADVENTURES is designed to educate, inform and entertain children 16 and under (specific target audience is 13-16) about the world around them. Each journey is a lesson in the beauty of nature, its creatures, and the people who inhabit the land. The shows are not designed to be preachy; or overly pedantic, but rather, the goal is to make the learning fun. |
