Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Students often do not know what they want to do and are unsure of potential interests they may have that could be a career. Career Day provides an avenue to view experts in their respective fields as they discuss their work, the education/training to prepare for the job, and the experiences that led them to choose their career. To encourage students to make informed decisions, young adults must be introduced to career awareness, such as the concept that success in most careers requires education and training. The program is regularly scheduled and airs between the hours of 7:00am and 10:00pm. The program is 30 minutes in length and is identified as an educational and informational show, targeted to 13-16 year olds at the beginning and through the broadcast and in listings provided to publishers of program guides.
