Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program is anchored by Sportacus, a fit and agile hero, whose "kryptonite" is sugar, which makes him instantly lethargic. Sportacus and the program's cast of child characters are challenged in each episode with an issue or dilemma, and are opposed in their attempts to complete their mission by Robbie Rotten, who seeks to return Lazytown to its former lazy ways. The program seeks to impart to preschool and early school-aged children the importance of healthy living, and to help them understand the value of developing sound eating and physical exercise habits, while also providing them positive messages about friendship, empathy, self-respect, truthfulness and other age-appropriate life lessons. This program airs on the secondary digital channel.

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	KEYE TV enthusiastically airs a variety of Public Service Announcements (PSAs) in support of important children's issues such as fighting obesity, the importance of staying in school and the importance of exercise. KEYE TV also provides information to educate children on the many careers in the broadcast field and donates to community events benefiting children in our area: On 9/12/14, Creative Services Director, Steve Harris, led a tour of 10 students from Austin Community College who wanted to see how the various departments of a television station worked together and how to best start a career in broadcasting.
