Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	Reason for Preemptions: Programs on the Digital Main Channel 14.1 and Sub Channel 14.4 originated from My Family TV Network. Programs preempted as noted in this report on 1/1/2011 were not aired due to the network transmitting the wrong days programming and unable to be contacted on New Years Day. WHKY-TV ceased programming on its analog channel and converted to digital only broadcast as part of the early transition option to Digital Television on February 14, 2009. Licensee's responses to question 7 assume that the main digital program is the same as the former analog channel. WHKY-TV Digital sub channel 14.2 began broadcasting on 1/1/10. WHKY-TV Digital sub channel 14.3 began broadcasting on 7/21/10. WHKY-TV Digital sub channel 14.4 began broadcasting on 7/22/10. WHKY-TV's non-broadcast efforts include participation in youth related fund raisers, serving on advisory boards that benefit children's organizations, hands-on tours of our studios and speaking to classes at their schools.
