Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	999.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	40.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Fruity pie is a children's program that aims to teach children how to foster their three best friends in life: Happiness, Good Health and Love. The children in the program, portrayed as colorful fruit that comes to life, are guided by the wise and fun loving Fruity Granma, who engages with the children as more of a friend than a traditional superior. Instead of teaching a daily class with a lesson plan, she uses fun games and arts and crafts as a means to foster a sense of self respect, self worth, confidence, and compassion for others amongst the children. The program is in Mandarin Chinese.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Jimmy Kudo is a 17-year-old high school prodigy who frequently helps the police in solving cases. During an investigation, he is attacked by two criminals, codenamed Gin and Vodka, from the syndication called the Black Organization. They force him to ingest an experimental poison, APTX 4869, which is supposed to kill him, and leave him to die. A rare side-effect of the poison, however, transforms Kudo's body into that of a child instead of killing him.

Origination	Syndicated
Days/Times Program Regularly Scheduled	Sat 10:30a-11:00a, 11:00a-11:30a
Total times aired at regularly scheduled time	26
Length of Program	30 mins
Age of Target Child Audience from	5 years to 14 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Jimmy Kudo is a 17-year-old high school prodigy who frequently helps the police in solving cases. During an investigation, he is attacked by two criminals, codenamed Gin and Vodka, from the syndication called the Black Organization. They force him to ingest an experimental poison, APTX 4869, which is supposed to kill him, and leave him to die. A rare side-effect of the poison, however, transforms Kudo's body into that of a child instead of killing him.
