Digital Core  
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The series provides dynamic core programming in areas of particular concern to young teens; including global, social, educational, and wellness issues. Elizabeth and select celebrity friends travel around the world volunteering in areas of specific need. The show also combines exciting, fun, and diverse experiences of world exploration with life-changing volunteer opportunities. Various age-appropriate global issues are introduced to the viewing audience through in-depth and thoughtful interviews. In addition, Elizabeth and friends' personal hands-on experiences in the field both inspire teens to engage in selfless, helping behaviors, and educate them on where and how to find volunteer opportunities. Aired on "digital 1".
