Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Come spend the day with the monsters at Wimzie's House and you'll never want to go home. All of the characters are wild and wooly on the outside--but definitely human on the inside. Ater spending a half hour in this very special home away from home, no one will leave the world of Wimzie unchanged. It is the world where the real and the imaginary come together, where self-esteem is the order of the day, where the emotions and the relationship of today's pre-schoolers, who are growing up to be ten in the year 2000, are on the top of the list of story material. Five-year-old Wimzie and her mother Graziella, an airline pilot, live in Yaya's house as does Russo, Yaya's best friend--even if Yaya is at least one hundred fifty years old (and counting) and Russo is much more than a hundred years her younger. Graziella is more than ecstatic to have found a warm and comfortable home as well as a loving environment for her daughter, Wimzie, while she is off on her somewhat unorthodox work schedule flying around the world. It is within this setting that we meet Jonas, Archibald, Loulou, Horace and Azuline as they work out the relationships that grow out of being together every day, of growing up just a little bit every day. They learn not only about themselves, but also about the world outside the door.

This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.</p>	<p>On November 30, 2006, an application for the renewal of the license of WHDH was filed timely with the FCC. That license renewal application remains pending. WHDH completed its DTV transition and terminated all analog operations by June 12, 2009. On Saturday, February 9, The Chica Show, Pajanimals, Poppy Cat, JustinTime and LazyTown were pre-empted due to live breaking news of the Blizzard of 2013 weather emergency. Due to a failure of the network-wide graphics box, which is responsible for keying in the "E/I" logo over all children's educational programming, THIS Network children's educational programs which aired on Saturday, March 23 and Sunday March 24, 20013 did not contain an "E/I" logo superimposition throughout the entirety of the programs. Each of these programs were identified by the Network as an "E/I" program to the suppliers of program guides, and each was also introduced by an announcement stating that the following program is an "E/I" program. However, due to the graphics error the "E/I" logo failed to appear as a superimposition over each of the programs for the full duration of all program segments. THIS Network has informed us that this inadvertent error has been corrected. In addition, these same program episodes were aired in a rebroadcast, in their respective second home, at the following dates and times listed below (all times listed in Eastern time, and during the corresponding time block in other time zones). These rebroadcasts were publicized by announcements on THIS Network, and the "E/I" logo was superimposed over each of the seven programs for the entire program duration in these rebroadcasts. "Busy World of Richard Scarry" #40 was rebroadcast Saturday, 3/30 from 1:00- 1:30pm; "Wimzie's House" #104 was rebroadcast Saturday, 3/30 from 1:30- 2:00pm; "Wimzie's House" #105 was rebroadcast Saturday, 3/30 from 2:00- 2:30pm; "Country Mouse, City Mouse" #24 was rebroadcast Saturday, 3/30 from 2:30- 3:00pm; "Danger Rangers" #113 was rebroadcast Saturday, 3/30 from 3:00- 3:30pm; "Doodlebops Rockin' Road Show" #126 was rebroadcast Friday, 3/29 from 10:00- 10:30am; "Doodlebops" #312 was rebroadcast Sunday, 3/31 from 11:00- 11:30am. EXHIBIT - "A" -PUBLIC SERVICE ANNOUNCEMENTS: For a complete listing of public service announcements designed specifically for children, please refer to WHDH's on-line Public Inspection File. Come spend the day with the monsters at Wimzie's House and you'll never want to go home. All of the characters are wild and wooly on the outside--but definitely human on the inside. Ater spending a half hour in this very special home away from home, no one will leave the world of Wimzie unchanged. It is the world where the real and the imaginary come together, where self-esteem is the order of the day, where the emotions and the relationship of today's pre-schoolers, who are growing up to be ten in the year 2000, are on the top of the list of story material. Five-year-old Wimzie and her mother Graziella, an airline pilot, live in Yaya's house as does Russo, Yaya's best friend--even if Yaya is at least one hundred fifty years old (and counting) and Russo is much more than a hundred years her younger. Graziella is more than ecstatic to have found a warm and comfortable home as well as a loving environment for her daughter, Wimzie, while she is off on her somewhat unorthodox work schedule flying around the world. It is within this setting that we meet Jonas, Archibald, Loulou, Horace and Azuline as they work out the relationships that grow out of being together every day, of growing up just a little bit every day. They learn not only about themselves, but also about the world outside the door.
