Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Ryan Gooden

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	As the Commission's files reflect, the station normally airs 6.50 hours per week of core children's television programming or 84.50 hours per quarter, on its primary digital channel. That, even during a quarter in which WAQP preemptively airs its semi-annual telethon, the station's quarterly children's programming is 78 hours, which is still 39 hours more (78 vs. 39 hours) than required by Commission Rule 73.671 (Note 2). Furthermore, the station aired 106 hours per week of additional core children's television programming, or 1261 hours for the quarter via its three additional digital sub-channels (please note, however, that the station's 3rd digital sub-channel (LaFuente) ceased programming on 09/23/13 due to network cancellation of the channel). This amount represents 1144 hours, on average, above the 117 hours of additional children's television programming per quarter specified by the Commission in this circumstance.
