Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Eco Company focuses on the environment and preservation of the earth's resources. Eco Company explores all aspects of being "green" and understanding how our actions impact the world. The E-Co team finds out about global warming by asking questions to discover the truths and myths of the global warming issue. They learn about alternative energies by visiting wind farms and solar installations and discovering new energy technologies currently under development. They learn more about recycling, conservation and organics. The ETeam profiles teens and school organizations who have taken it upon themselves to make a difference, young entrepreneurs who are taking their passion for green to develop ideas, and new products for a sustainable future. Most importantly, each story and each feature is reported by teens and told from their perspective. Additionally each week the show will provide practical tips that teens, and people of all ages can use in their daily lives. Each episode employs Eco Company "members" or hosts who conduct interviews of peers and adults, and experience first hand the demonstration and explanation of the topic. Program airs on main digital stream.

Age of Target Child Audience		13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.		This is a nature series that educates children by taking them to a unique destination in each episode, to explore the scenery, history, activities, and wildlife of that area. Wildlife experts Todd Magnuson and Terri Lawrenz share their love for the outdoors by teaching children in a fun and entertaining way. Their mission is to provide a resource for people of all ages to learn all about the great outdoors. The more educated about nature people are, the more involved they will become. Being in touch with nature will not only make us better conservationists, it will give us happier and healthier bodies, minds and spirits! It also gives us the perfect opportunity to create lasting memories with those we love. Airt on secondary digital channel 64.2.

Liaison Contact

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Scott Denney
Address	1906 Highland Avenue
City	Cincinnati
State	OH
Zip	45219
Telephone Number	513-841-4648
Email Address	sadenney@deerfieldmedia.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	WSTR strives to assist the community by airing a variety of programs in standard program lengths which provide educational and informational needs of children. We believe these programs have unlimited value. During the past quarter, WSTR telecast numerous public service announcements aimed at children 16 years of age and under. We also air on a regular basis PSAs provided to us by the Ad Council and Drug Free America, which are geared toward children. Our PSAs are designed for a general audience, but also serve children 16 years of age and under. Our general audience programs which serve children 16 years of age and under include our local news which airs Mon-Fri 7-8am and Mon-Sun 10-10:30pm. WSTR/Star64 also airs a local community affairs program, "Cincinnati Issues" every Sunday at 6:30am. This program features local community leaders discussing a variety of topics that affect our viewers, including children 16 years of age and under.
