Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.		Biz Kid does an excellent job of providing engaging content for teen viewers that also meets the most highly regarded educational standards. The series does a comprehensive job of explaining financial and entrepreneurial concepts thoroughly, but in a language that a teen audience could easily understand and retain. The program emphasizes how to properly manage money, create budgets and financial goals - all important steps in learning to become responsible adults and citizens. The program is 30 minutes in length, and is identified as an informative and educational show, targeted to youth ages 13 through 16, at the beginning of each broadcast and in listings provided to publishers of program guides.

Length of Program	30 mins

Age of Target Child Audience from	12 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	ECO Company explores all aspects of being green and understanding how we impact our world, from reporting on the latest technologies in energy, recycling, conservation and organics to sharing the stories of young people making a positive impact on the environment. In addition every week ECO Company provides a practical tip that teens and people of all ages can use in their daily lives. ECO Company is designed to be an interactive program from finding out what's on the mind of all teens by talking to them to providing a forum on the website for teens to share their own videos about going green. The program is regularly scheduled and airs between the hours of 7am and 10pm. The program is 30 minutes in length, and will be identified as an educational and informational show targeted to 12-16 year olds, at the beginning of and through each broadcast and in the listings provided to publishers of program guides.
