Applicant certifies that the FM translator's (a) 1 mV/m coverage contour does not extend beyond the protected contour of the commercial FM primary station to be rebroadcast, or (b) entire 1 mV/m coverage contour is contained within the greater of either: (i) the 2 mV/m daytime contour of the commercial AM primary station to be rebroadcast, or (ii) a 25-mile radius centered at the commercial AM primary station's transmitter site.	
Applicant certifies that it is in compliance with 47 C.F.R. Section 74.1232(e), which prohibits a FM translator station whose coverage contour extends beyond the protected contour of the commercial FM primary station being rebroadcast, from receiving support (except for specified technical assistance), before, during, or after construction, directly or indirectly, from the primary station, or any person or entity having any interest in, or connection with, the primary station.	

Question	Response
For applicants proposing rebroadcasts who are not the licensee of the primary station, the applicant certifies that written authority has been obtained from the licensee of the station whose programs are to be retransmitted.
