Section	Question	Response
	Applicant certifies that neither the applicant nor any party to the application has or had any interest in, or connection with: (a) any broadcast application in any proceeding where character issues were left unresolved or were	
Character Issues		No

Adverse Findings

resolved adversely against the applicant or party to the application; or (b) any pending broadcast application in which character issues have been raised.

Applicant certifies that, with respect to the applicant and any party to the application, no adverse finding has been made, nor has an adverse final action been taken by any court or administrative body in a civil or criminal proceeding brought under the provisions of any laws related to any of the following: any felony; mass mediarelated antitrust or unfair competition; fraudulent statements to another governmental unit; or discrimination.

Program Service Certification

Applicant certifies that it is cognizant of and will comply with its obligations as a Commission licensee to present a program service responsive to the issues of public concern facing the station's community of license and service area.

Local Public Notice

Applicant certifies that it has or will comply with the public notice requirements of 47 C.F.R. Section 73.3580.

Applicant certifies that it is not the licensee or permittee of the commercial primary station being rebroadcast and that neither it nor any parties to the application have any interest in or connection with the commercial primary station being rebroadcast? See 47 C.F.R. Section 74.1232 (d).

Operational Compliance

Applicant certifies that the FM translator's (a) 1mV/m coverage contour does not extend beyond the protected contour of the commercial FM primary station to be rebroadcast, or (b) entire 1mV/m coverage contour is contained within the greater of either: (i) the 2 mV/m daytime contour of the commercial AM primary station to be rebroadcast, or (ii) a 25-mile radius centered at the commercial AM primary station's transmitter site.

The applicant, if for a commercial FM translator station with a coverage contour extending beyond the protected contour of the commercial primary station being rebroadcast, certifies that it has not received any support, before or after constructing, directly or indirectly, from the licensee/permittee of the primary station or any person with an interest in or connection with the licensee or permittee of the primary station, except for technical assistance as provided for under 47 C.F.R. Section 74.1232(e).

Support Compliance

For applicants proposing translator rebroadcasts that are not the licensee of the primary station, the applicant certifies that written authority has been obtained from the licensee of the station whose programs are to be retransmitted.

Rebroadcast Certification

Financial

The applicant certifies that sufficient net liquid assets are on hand or that sufficient funds are available from committed sources to construct and operate the requested facilities for three months without revenue.

Applicant certifies that the proposed station will provide a first rural (reception) service.

Applicant certifies that:

(a) it is a Tribal Applicant, as defined in 47 C.F.R. Section 73.7000;

(b) the facilities proposed in this Application will provide Tribal Coverage, as defined in 47 C.F.R. Section 73.7000, of Tribal Lands occupied by the applicant Tribe (s):

(c) the proposed community of license is located on Tribal Lands, as defined in 47 C.F.R. Section 73.7000; and

Fair Distribution of Service Pursuant to 47 U.S.C. Section 307(b)

(d) the proposed facility would be the first local Tribalowned noncommercial educational transmission service at the proposed community of license

Applicant certifies that the proposed station will provide a first noncommercial educational aural service to (a) at least 10 percent of the people residing within the station's 60 dBu (1mV/m) service contour and (b) to a minimum of 2,000 people.

Yes

	a second noncommercial educational aural ser aggregated first and second noncommercial educational service, to (a) at least 10 percent of the presiding within the station's 60 dBu (1 mV/m) contour and (b) to a minimum of 2,000 people	ducational people service	
Auction Authorization	If the application is being submitted to obtain construction permit for which the applicant we winning bidder in an auction, then the applicate pursuant to 47 C.F.R. Section 73.5005(a), that attached an exhibit containing the information by 47 C.F.R. Sections 1.2107(d), 1.2110(i), 1.1.2112(b), if applicable.		
Tribal Priority – Threshold Qualifications	Is the Applicant applying for an FM allotment a Public Notice announcing a Tribal Threshold Qualifications window?		
Petition for Rulemaking /Counterproposal to Add New FM Channel to FM Table of Allotments	This application is being submitted concurrent Petition for Rulemaking or Counterproposal to the FM Table of Allotments (47 C.F.R. Section to add a new FM channel allotment. The petitive counter-proponent certifies that, if the FM challotment requested is allotted, petitioner/cour proponent will apply to participate in the auction channel allotment requested and specified in tapplication.
