Certifications

Section	Question	Response
Character Issues	Applicant certifies that neither the applicant nor any party to the application has or had any interest in, or connection with: (a) any broadcast application in any proceeding where character issues were left unresolved or were resolved adversely against the applicant or party to the	No

application; or (b) any pending broadcast application in which character issues have been raised. Applicant certifies that, with respect to the applicant and any party to the application, no adverse finding has been made, nor has an adverse final action been taken by any court or administrative body in a civil or criminal proceeding brought under the provisions of any laws **Adverse Findings** Yes related to any of the following: any felony; mass mediarelated antitrust or unfair competition; fraudulent statements to another governmental unit; or discrimination. Applicant certifies that it is cognizant of and will comply with its obligations as a Commission licensee to present a **Program Service** program service responsive to the issues of public Yes Certification concern facing the station's community of license and service area. Applicant certifies that it has or will comply with the **Local Public Notice** Yes public notice requirements of 47 C.F.R. Section 73.3580. If the applicant proposes to employ five or more full-time **Equal Employment** employees, applicant certifies that it is filing simultaneously with this application a Model EEO **Opportunity (EEO)** Program Report. Applicant certifies that it is not the licensee or permittee of the commercial primary station being rebroadcast and that neither it nor any parties to the application have any interest in or connection with the commercial primary station being rebroadcast? See 47 C.F.R. Section 74.1232 **Operational** Applicant certifies that the FM translator's (a) 1mV/m Compliance coverage contour does not extend beyond the protected contour of the commercial FM primary station to be rebroadcast, or (b) entire 1mV/m coverage contour is contained within the greater of either: (i) the 2 mV/m daytime contour of the commercial AM primary station to be rebroadcast, or (ii) a 25-mile radius centered at the commercial AM primary station's transmitter site. The applicant, if for a commercial FM translator station with a coverage contour extending beyond the protected contour of the commercial primary station being rebroadcast, certifies that it has not received any support, before or after constructing, directly or indirectly, from **Support Compliance** No the licensee/permittee of the primary station or any person with an interest in or connection with the licensee or permittee of the primary station, except for technical assistance as provided for under 47 C.F.R. Section 74.1232(e). For applicants proposing translator rebroadcasts that are not the licensee of the primary station, the applicant Rebroadcast certifies that written authority has been obtained from the Yes Certification licensee of the station whose programs are to be retransmitted. The applicant certifies that sufficient net liquid assets are on hand or that sufficient funds are available from **Financial** committed sources to construct and operate the requested facilities for three months without revenue. Applicant certifies that the proposed station will provide a first rural (reception) service. Applicant certifies that: (a) it is a Tribal Applicant, as defined in 47 C.F.R. Section 73.7000; (b) the facilities proposed in this Application will provide Tribal Coverage, as defined in 47 C.F.R. Section 73.7000, of Tribal Lands occupied by the applicant Tribe (c) the proposed community of license is located on Tribal Lands, as defined in 47 C.F.R. Section 73.7000; Fair Distribution of (d) the proposed facility would be the first local Tribal-**Service Pursuant to 47** owned noncommercial educational transmission service **U.S.C. Section 307(b)** at the proposed community of license Applicant certifies that the proposed station will provide a first noncommercial educational aural service to (a) at

Auction Authorization	least 10 percent of the people residing with 60 dBu (1mV/m) service contour and (b) to of 2,000 people.  Applicant certifies that the proposed statio a second noncommercial educational aural aggregated first and second noncommercia aural service, to (a) at least 10 percent of the residing within the station's 60 dBu (1 mV contour and (b) to a minimum of 2,000 people of the application is being submitted to obte construction permit for which the applicant winning bidder in an auction, then the applicant winning bidder in an auction, then the applicant to 47 C.F.R. Section 73.5005(a), attached an exhibit containing the information by 47 C.F.R. Sections 1.2107(d), 1.2110(i) 1.2112(b), if applicable.					
Tribal Priority – Threshold Qualifications	Is the Applicant applying for an FM allotma Public Notice announcing a Tribal Thres Qualifications window?		forth in			
Petition for Rulemaking /Counterproposal to Add New FM Channel to FM Table of Allotments	This application is being submitted concurrently with a Petition for Rulemaking or Counterproposal to Amend the FM Table of Allotments (47 C.F.R. Section 73.202) to add a new FM channel allotment. The petitioner /counter-proponent certifies that, if the FM channel allotment requested is allotted, petitioner/counter-proponent will apply to participate in the auction of the channel allotment requested and specified in this application.
