Legal			Applicant certifies tha	t neither the appl	icant nor any party			

Legal Certifications

Section	Question	Response
Character Issues	Applicant certifies that neither the applicant nor any party to the application has or had any interest in, or connection with: (a) any broadcast application in any proceeding where character issues were left unresolved or were resolved adversely against the applicant or party to the application; or (b) any pending broadcast application in which character issues have been raised.	Yes
Adverse Findings	Applicant certifies that, with respect to the applicant and any party to the application, no adverse finding has been made, nor has an adverse final action been taken by any court or administrative body in a civil or criminal proceeding brought under the provisions of any laws related to any of the following: any felony; mass media-	Yes

Program Service Certification Applicant certifies that it is cognizant of and will comply with its obligations as a Commission licensee to present a program service responsive to the issues of public concern facing the station's community of license and service area.

related antitrust or unfair competition; fraudulent statements to another governmental unit; or

discrimination.

Local Public Notice

Applicant certifies that it has or will comply with the public notice requirements of 47 C.F.R. Section 73.3580.

Applicant certifies that it is not the licensee or permittee of the commercial primary station being rebroadcast and that neither it nor any parties to the application have any interest in or connection with the commercial primary station being rebroadcast? See 47 C.F.R. Section 74.1232 (d).

Operational Compliance

Applicant certifies that the FM translator's (a) 1mV/m coverage contour does not extend beyond the protected contour of the commercial FM primary station to be rebroadcast, or (b) entire 1mV/m coverage contour is contained within the greater of either: (i) the 2 mV/m daytime contour of the commercial AM primary station to be rebroadcast, or (ii) a 25-mile radius centered at the commercial AM primary station's transmitter site.

The applicant, if for a commercial FM translator station with a coverage contour extending beyond the protected contour of the commercial primary station being rebroadcast, certifies that it has not received any support, before or after constructing, directly or indirectly, from the licensee/permittee of the primary station or any person with an interest in or connection with the licensee or permittee of the primary station, except for technical assistance as provided for under 47 C.F.R. Section 74.1232(e).

Rebroadcast Certification For applicants proposing translator rebroadcasts that are not the licensee of the primary station, the applicant certifies that written authority has been obtained from the licensee of the station whose programs are to be retransmitted.

Station Ready for Operation

Support Compliance

Applicant certifies that station is now in satisfactory operating condition and ready for regular operation.

Programming

The applicant certifies that it is the licensee of the primary station or the applicant certifies that written authority has been obtained from the licensee of the primary station whose programming is to be retransmitted.

Financial

The applicant certifies that sufficient net liquid assets are on hand or that sufficient funds are available from committed sources to construct and operate the requested facilities for three months without revenue.

Applicant certifies that the proposed station will provide a first rural (reception) service.

Applicant certifies that:

(a) it is a Tribal Applicant, as defined in 47 C.F.R. Section 73.7000;

(b) the facilities proposed in this Application will provide Tribal Coverage, as defined in 47 C.F.R. Section 73.7000, of Tribal Lands occupied by the applicant Tribe (s):

(c) the proposed community of license is located on Tribal Lands, as defined in 47 C.F.R. Section 73.7000; and

Fair Distribution of Service Pursuant to 47 U.S.C. Section 307(b)

(d) the proposed facility would be the first local Tribalowned noncommercial educational transmission service at the proposed community of license

Applicant certifies that the proposed station will provide a first noncommercial educational aural service to (a) at least 10 percent of the people residing within the station's 60 dBu (1mV/m) service contour and (b) to a minimum of 2,000 people.

Applicant certifies that the proposed station will provide

Auction Authorization Tribal Priority –	a second noncommercial educational aural s aggregated first and second noncommercial aural service, to (a) at least 10 percent of the residing within the station's 60 dBu (1 mV/n contour and (b) to a minimum of 2,000 peop. If the application is being submitted to obtain construction permit for which the applicant winning bidder in an auction, then the applicant winning bidder in an auction, then the applicant pursuant to 47 C.F.R. Section 73.5005(a), the attached an exhibit containing the information by 47 C.F.R. Sections 1.2107(d), 1.2110(i), 1.2112(b), if applicable.
