Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Kid Guides is an exciting new show where our two kid hosts travel the country and the world to top zoos, museums, aquariums, and other family destinations to tour the locations like kids can only dream of. Not only do we tour the locations like typical tourists might, we go behind the scenes to experience things not known to the general public. Our kid guides learn about the workings of the locations as well as the science behind what it takes to run the places. Whether it is learning about how to care for a white tiger, how to be a zoo keeper, how to handle snakes, or how to take underwater pictures, our hosts dive right in. Specific educational segments also enhance the learning opportunities. Our Book Corner discusses books that are relevant to what we saw at the week's location. Explorer's Corner covers a wide variety of educational topics that fascinate children. Our Animal Star segment highlights a particular animal that may be overlooked, but presents a variety of educational experiences. Kid Guides is edutainment at its best.
