Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Danger Rangers is an animated television series for children three to eight years of age. Each episode follows the adventures of a group of animalsuperhero characters whose mission is to keep children safe by educating them on how to avoid or reduce their risk of being injured around fire, water, poisons, cars and any number of other potential hazards that children can encounter in their daily lives. Danger Rangers inspires viewers to adopt proactive attitudes and behaviors related to their personal safety in order to reduce preventable accidents, the leading cause of death and permanent disability for young children. The Danger Rangers mission is to use education to empower children to "think Safe, Play Safe & be safe"

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Go For It is a half hour weekly television program produced to educate and inform children 13-16 years of age. Each episode contains teams of children competing in a variety of educational and athletic activities, including trivia, and athletic competitions. Trivia competitions require children to use their math, science, history, and geography skills to defeat the opposing team and win prizes. Athletic competitions encourage children to stay physically fit and healthy. Sports Celebrities offer facts and advice on subjects such as nutrition, training and motivation. With each weekly half hour episode, Go For It! brings relevant lifemessages to kids in a fast paced format designed to encourage learning, participation, and competition.

Program Title	THE MAGIC SCHOOL BUS
Origination	Network
Days/Times Program Regularly Scheduled	SAT 7AM 1/7-2/4/12

0
0
30 mins
6 years to 10 years
THE MAGIC SCHOOL BUS is based on series of children's books about science Written by Joanna Cole. The show features the ingenious Ms. Frizzle, an elementary school teacher and intrepid explorer who piles her students into her Magic School Bus and takes them on amazing field trips to impossible locations. The goal of each field trip is to answer questions or learn many new things about the place the class visits. Each episode is a fact filled expedition to places as diverse as the solar system, the human body, or even inside weather systems. The bus transforms to suit the environment and the kids freely explore and share their learning with each other and with Ms. Frizzle, who nudges her students to "make connections" and answer their own questions with research. The class pet, Lizzie, a large lizard, accompanies the class on their field trips. The content of the show is appropriate for children ages 6 to 10 and in addition to all the factual content, the children also have a socio-emotional problem to solve that is embedded into the storyline.

Describe the educational and nformational objective of the program and how it meets the definition of Core Programming.	Set in medieval times, JANE AND THE DRAGON is an animated show based on Martin Baynton's best- selling book about a middle-class medieval girl named Jane. Jane is raised in the Royal Court as a Knight- in-Training after she demonstrates her courage by leaving the castle to conquer the local dragon. The giant green Dragon, whose sense of humor exceeds his ferocity, instead becomes Jane's best friend and a part of the castle community. In each episode, Jane encounters a challenge that tests her problem-solving skills and requires her to demonstrate her strength of character as a Knight of the King's Guard. Sometimes Jane learns a moral lesson, and other times she uses her analytical ability to illustrate how a problem can be made less complicated and easily solved.

Based on the book series by Deborah Manchester, THE ZULA PATROL teaches science and astronomy facts to a target audience of children 6-10 years of age. The Zula Patrol is a group of six animated aliens, headed by Captain Bula, who carry out a variety of scientific space missions. During their missions, Captain informational Bula and his crew often encounter their foe, Dark Truder, and his minion, Traxie, who are trying to take over the universe. Over the course of the story, the audience learns different facts about specific space topics such as stars, planets, orbits, moons, asteroids, comets, gravity, and space probes. The information is then highlighted during a segment where crew member Professor Multo delivers his "Multo-Moments" or summary of scientific facts from the story. Typically, the stories also provide a social-emotional tag based on tolerance and non-violent conflict resolution.

WIMZIE'S HOUSE portrays the experiences of Wimzie, her baby brother Bo and a cast of neighborhood youngsters while at a home daycare run by Wimzie's grandmother, Yaya. Each show centers on a key social or family issue from the young child's point of view. It focuses on a project, adventure or problem, explores potential solutions, while allowing characters to work through their feelings and issues from their own unique perspectives, and then closes with a resolution resulting in Wimzie and her playmates learning social skills which enable them to grow together despite their differences. The educational objectives of WIMZIE'S HOUSE support development and acceptance of children's individual identities, and promote self-esteem, encouraging acceptance of others through empathy with a cast of strong & well-focused characters. Themes include: friendship, generosity, collaboration, solitude and jealousy.

Describe the SHELLDON is an animated series about a school-aged yoka shell mollusk named Shelldon. He lives with his adoptive family, the Clams, in Shell Land, an undersea community populated by all sorts of sea species. Shelldon and his best friends, Connie (a cowrie shell mollusk) and Herman (a hermit crab), face a specific informational challenge in every episode. The problem may be managing a bully, improving their grades, learning how to be altruistic, or protecting their environment from natural and man-made disasters. In most cases, they rely on Dr. Shell, the most venerated intellectual and elder in Shell Land who teaches them and gives them opportunities to harness their potential and solve the problem. Each episode provides a direct socialemotional lesson and many episodes provide informational content relating to the sea life habitat of Shell Land and environmental conservation.

WILLA'S WILD LIFE, based on the book An Octopus Followed Me Home, by Dan Yaccarino, is an animated series centered on a six-year-old girl and her menagerie of animals. Willa lives at home with her father and pets -- an elephant, a giraffe, a pair of performing seals, a bear, penguins, and lots of rabbits. In each informational episode, Willa faces a challenge at home, in school or in her neighborhood. With her animals and best friend Dooley as key elements of her team, Willa works on solutions to overcome her challenge. Together they find ways to maintain healthy friendships, experience success, develop competence, and become altruistic. With help from her animal friends, Willa figures out how to earn the things she wants by helping others. She learns to appreciate the friends that she has rather than trying to change to fit in with the "cool" group. She realizes that asking questions is better than jumping to conclusions. Whether at school, home or in the neighborhood, Willa finds a way to analyze her situation and learn from experience.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming. In this weekly half-hour series developed and produced to educate and inform viewers ages 13-16, our hosts scan the country finding those who pay it forward to promote health and wellness. The remarkable people that viewers meet are referred to as 'agents of change,' special individuals who are making big changes in people's lives, one small step at a time. Everyday Health is a series that uniquely raises awareness to help fight obesity, raise self-esteem, establish physical fitness habits and prevent negative health choices. An inspirational program about people who confront challenges by taking control, Everyday Health, through captivating storytelling, reports on amazing teens and other selfless Americans who are 'paying it forward, 'with good will and new ideas that will inspire other teens to take action.

Origination	Syndicated			
Days/Times Program Regularly Scheduled	SAT 930AM [DIGITAL]			
Total times aired at regularly scheduled time	13			
Length of Program	30 mins			
Age of Target Child Audience from	13 years to 16 years			
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Young, enthusiastic and passionate about food, Claire Thomas is the 22 year old host who opens viewers' eyes to how everyday life can inspire culinary creations in Food for Thought. Each weekly-half hour, produced for ages 13-16, informs and educates teens about the power of food as a tool for exploring new places, meeting new people and learning about different cultures. Claire serves as a role model for 13-16 year old viewers by showing her passion for her family, life, and healthy living by sharing stories in the kitchen. Creative inspiration can come from any place at any time - sometimes from family, sometimes from friends, or even from bloggers needing her help. No matter how exotic or local the location, she's always in search of new tastes and places to explore. Based on her unique perspective gathered throughout each episode, Claire will teach the audience how to prepare the "inspired" dish while promoting a healthy attitude towards food and life.

Age of Target Child Audience from	13 years to 16 years			
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The goals of Made in Hollywood: Teen Edition are the following: To provide for adolescent boys and girls in the 13 to 16 year old age-group an opportunity to explore and learn about the technical, artistic, creative, business, and administrative careers that are a part of the motion picture, television, music video, and home entertainment industries, as well as to learn about some of the skills, personal attributes, techniques, and strategies needed to enter these fields. Our goal, while recognizing that many factors go into obtaining a position in any industry, is to provide the young audience with enough background so that their own career exploration, planning, education and decision-making can begin.

Program Title	JANE AND THE DRAGON
Origination	Network
Days/Times Program Regularly Scheduled	SAT 7AM [DIGITAL]
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	6 years to 10 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Set in medieval times, JANE AND THE DRAGON is an animated show based on Martin Baynton's best- selling book about a middle-class medieval girl named Jane. Jane is raised in the Royal Court as a Knight- in-Training after she demonstrates her courage by leaving the castle to conquer the local dragon. The giant green Dragon, whose sense of humor exceeds his ferocity, instead becomes Jane's best friend and a part of the castle community. In each episode, Jane encounters a challenge that tests her problem-solving skills and requires her to demonstrate her strength of character as a Knight of the King's Guard. Sometimes Jane learns a moral lesson, and other times she uses her analytical ability to illustrate how a problem can be made less complicated and easily solved.

Origination	Network
Days/Times Program Regularly Scheduled	SAT 8AM [DIGITAL]
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	6 years to 10 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Based on the book series by Deborah Manchester, THE ZULA PATROL teaches science and astronomy facts to a target audience of children 6-10 years of age. The Zula Patrol is a group of six animated aliens, headed by Captain Bula, who carry out a variety of scientific space missions. During their missions, Captain Bula and his crew often encounter their foe, Dark Truder, and his minion, Traxie, who are trying to take over the universe. Over the course of the story, the audience learns different facts about specific space topics such as stars, planets, orbits, moons, asteroids, comets, gravity, and space probes. The information is then highlighted during a segment where crew member Professor Multo delivers his "Multo-Moments" or summary of scientific facts from the story. Typically, the stories also provide a social-emotional tag based on tolerance and non-violent conflict resolution.
