Programming**

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	6.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	No
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Digital Core Program (1 of 13)	Response
Program Title	Bay Area Quiz Kids
Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturdays 2:00-2:30 p.m.
Total times aired at regularly scheduled time	13
Total times aired	
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Bay Area Quiz Kids is a game show tournament featuring local high schools from the Bay Area. Each of the matches is taped before a live audience in which teams of three contestants compete for the championship and a trip to Europe. The competition includes questions from the following categories: literature, science, math, history, geography, fine & performing arts as well as current events and sports. The goal of Quiz Kids is to provide a showcase for local high schools and for students who strive for academic excellence. This show gives kids the opportunity to display wit, poise and knowledge in a fiercely competitive, but fun environment. Main Digital Channel.
Does the Licensee identify the program by displaying throughout the program the symbol E/I?	Yes

Liaison Contact

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Pat Patton
Address	1001 Van Ness Avenue
City	San Francisco
State	CA
Zip	94109
Telephone Number	(415) 561-8917
Email Address	patton@kron.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	The station no longer has an analog channel. The licensee's response to 7(b) therefore assumes that the station's current main program stream serves as the equivalent to the station's former analog channel. Due to an administrative oversight, Licensee has not provided all required information to publishers of program guides since at least January, 2009. To the extent Licensee has previously responded to question 3 and 9 of the FCC Form 398 to the contrary, Licensee hereby amends and corrects its previous filings. Upon discovering the error, Licensee now provides all information to program publishers going forward in compliance with Section 73.673 of the Commission's Rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Animal Atlas" is an entertaining and educational half-hour wildlife program that introduces young viewers to every kind of animal imaginable, from the familiar to the astounding, including apes and giant lizards, sharks and tigers, and all other animals from the Americas, Africa, Asia, Australia, and everywhere in between. Animal Atlas promotes better understanding of how various animal species live and what they need to survive. Through Animal Atlas, viewers discover the variety of places that animals live, how they find food, and how they play. The show also looks at how family units operate, from a community of thousands of prairie dogs, to a pride of lions, to a school of fish. Along the way, the program educates young viewers about endangered species and provides information on how to support wildlife conservation. Animal Atlas offers an incredible and wildly entertaining adventure through the animal world. Multicast Channel.
