**Digital Core  
Programming**

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	7.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Atlas is a weekly half-hour series that travels around the globe to educate viewers aged 13-16 about the animal kingdom. Every week viewers are given an in-depth look at many different kinds of animals, their biology and habitats, their eating and socializing habits, and much, much more. The series features an upbeat and entertaining narration over beautiful animal footage from zoos and wildlife habitats all over the world. Without pandering, pontificating, or watering down material, it broadens the knowledge and perspective of young viewers through a friendly and fascinating presentation of information about the animal world. Multicast Digital Channel 2.3.

Program Title	Go For It!	
Origination	Syndicated	
Days/Times Program Regularly Scheduled	Sundays 12pm ct	
Total times aired at regularly scheduled time	13	
Length of Program	30 mins	
Age of Target Child Audience from	13 years to 16 years	
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Go For It! is a half-hour weekly television program produced to educate and inform children competing in a variety of educational and athletic activities, including trivia and athletic competitions. Trivia competitions require children to use their math, science, history, and geography skills to defeat the opposing team and win prizes. Athletic competitions encourage children to stay physically fit and healthy. Sports celebrities offer facts and advise on subjects such as nutrition, training, and motivation. With each weekly half-hour episode, Go For It! brings relevant life-messages to kids in a fast-paced format designed to encourage learning, participation and competition. Multicast Digital Channel 2.3.
